

**HANDS of Wyoming County has been identified as the agency to look to for early childhood expertise and family support with the goal to strengthen the lives of families and children for the future of the Wyoming County community.**

**The mission of HANDS is designed to meet the following priorities:**

- 1. To promote positive child development through effective parenting, early intervention, and outreach services.***
- 2. To support and preserve the family unit as the foundation for success for children.***
- 3. To assure healthy development and health services for children.***
- 4. To provide a seamless, comprehensive, and easily accessed network of services.***
- 5. To provide support to the educators working with children and families on a daily basis.***
- 6. To commit to promoting school readiness.***

**The Wyoming County Family Resource Center and Resource Directory aim to promote formal and informal supports for families focusing on engagement, well being, and awareness of necessary, local, and available resources. The Resource Directory includes four categories: Social Services, Educational Services, Medical Services and Mental Health Services.**

**Hard copies can be found in the Wyoming County Family Resource Center at HANDS of Wyoming County. Guidance and support on resources may be obtained by calling [\(570\)833-2350](tel:5708332350).**
